- ❖ To bring people together in a community activity
- ❖ To strengthen and support local farmers/producers
- ❖ To support local entrepreneurs and small businesses
- ❖ To encourage healthy eating habits

Who Can Sell?:

All sellers must be approved by Market Management. Selling of products not approved by Market Management will not be permitted. Used items are not permitted to be sold at the market; this is not a flea market.

Carrying:

Carrying is defined as bringing to market and selling goods that were produced by someone other than the registered vendor. Carrying is permitted for this reason: to allow growers the freedom to send a family member, friend, or employee to sell their goods or another's goods. This allows a small grower to sign up for multiple markets within the same growing season. No wholesale or resale of goods obtained from other areas is permitted. Vendors who are carrying must submit contact information (addresses, phone numbers, etc.) for the growers of goods they are carrying to the market management team for verification and approval. A maximum of 50% of goods being sold may be from a producer other than the registered vendor on each market day.

What Can Be Sold:

Raw agricultural products: fruits, vegetables, grains, spice.

- ◆ Value Added Agricultural Products: admitted only with approval. They include raw agricultural products grown by the seller that have been processed: meat, poultry, cheese, dairy, eggs, baked goods, soaps, beeswax, juice, cider, honey, syrup, vinegar, jams, pastas, oils, chocolates, and sauces.
- ◆ Alcoholic Products as approved by The State of Michigan.
- ◆ Non Food Items: i.e. Pottery, garden related items, sculptures, and birdfeeders produced by the vendor. Pictures and/or portfolios are required for admission of non-food items. Market Management will notify you of your acceptance after products have been juried.
- ◆ Who Can Sell? Buying and selling of wholesale items is not permitted unless specifically permitted by Market Management. Market Management has sole discretionary privilege to determine any exceptions that will be made to this rule.

Growing Certifications:

Vendors who have growing certifications are encouraged to post their certifications for customers to see. For example, if you are certified organic, certified Naturally Grown, or any other certifying agencies, we recommend you advertise accordingly. The Market Management will expect to see proof of certification from any vendor who claims to hold growing certifications and reserve the right to pull any signage that is not in accordance with your growing methods.

We do encourage sampling if prepared in accordance with the Macomb County Health Department regulations. Please let Market Management know the days you plan to do special sampling.
